## Chapter One

## Do not turn the page.

There are words there.

## I tried to warn you.

Now there will be even more.

There will be letters, and words, and sentences.

Even paragraphs.
But nothing bigger.
Okay, pages.
I hate to read. I hate to read them all.

## Chapter 2

Chapters make reading seem to go fast - but not fast enough

Chapters always start on the right-side page, so the left page can be blank.

Then it goes even faster.
I don't care.
I hate to read.

## Chapter 3

See. It's going pretty fast, but even so...

I hate to read.
